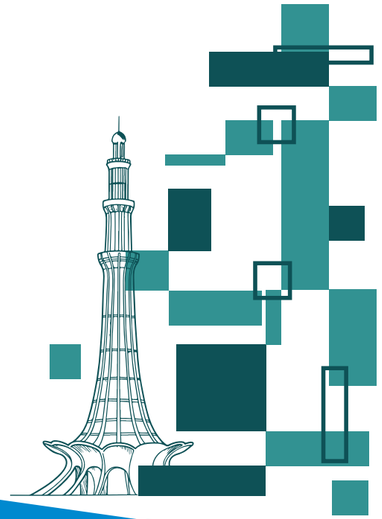
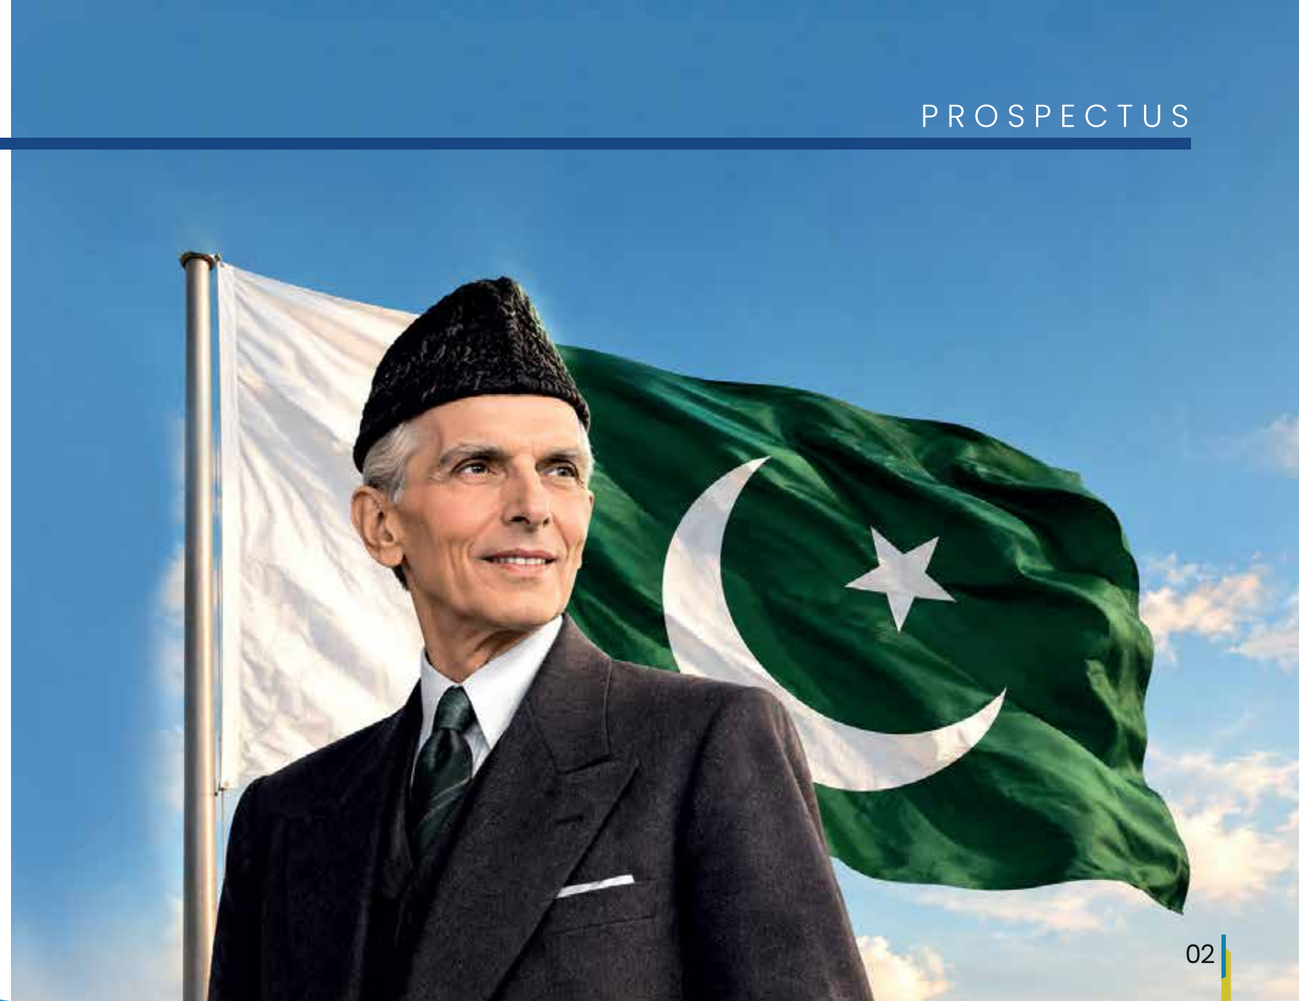
WORDS THAT SHAPED A NATION

Quaid-e-Azam Muhammad Ali Jinnah

Development is being sought in every walk of life and you have to take on this process of development. Are you preparing to take on tomorrow's responsibilities? Are you building your capacity? Are you trained enough? If no, then go and prepare yourself because this is the time to prepare yourself for future responsibilities.

(Addressing students at Islamia College,
Peshawar - 12th April, 1948.)





CORE PHILOSOPHY

KIPS School has its roots embedded in the core philosophy of KIPS which is OIC:

ORIGIN: ISLAM
IDENTITY: PAKISTAN
COMPETENCE: GLOBAL

Our philosophy is rooted in Islam as our Origin and Pakistan as our Identity, aiming to prepare students for global competence. All academic and non-academic activities at KIPS School - curriculum, lesson plans, syllabus, sports, and creativity - stem from this OIC philosophy and are realized through the joint efforts of teachers, staff, students, and parents.

VISION

Transforming lives through accessible quality education for a brighter future and a better world.

MISSION

To empower students for global competence and beyond through an excellence-driven, student-centred and values-based education system. Our core values and culture are the guiding principles while efficiency, innovation, technology and growth are the tools for success.

CULTURE

Our culture is rooted in mutual respect, driven by merit, upheld with discipline and committed to continuous improvement.

PREPARE YOURSELF FOR FUTURE RESPONSIBILITIES

Mr. Abid Wazir Khan

Chief Executive, KIPS Education System

Pakistan's future will be shaped by young people who are grounded in values, confident in their identity and prepared to succeed in an increasingly connected and rapidly changing world.

At KIPS Education System, our vision is to make quality education accessible while continually raising the standards by which educational excellence is defined. As KIPS School expands its network, we remain focused not simply on reaching more learners, but on enabling more young people to build the knowledge, character, confidence and global competence required for the future.

KIPS School represents our belief that a strong foundation must prepare a child for far more than examinations. Academic excellence, leadership, technology, innovation and future-ready learning must work together to develop individuals who can think independently, adapt intelligently and contribute meaningfully.

Our ambition remains clear: to build foundations for life and enable generations capable of creating a brighter future for Pakistan and the world.

TURNING PURPOSE
INTO PROGRESS

Our mission at KIPS School is to translate educational purpose into measurable progress — combining academic excellence with the skills, systems and opportunities students need to succeed beyond the classroom.

That commitment is reflected across the KIPS School learning ecosystem: sustained excellence in Board examinations, future-ready Matric streams, technology-enabled learning through KIPS LMS, an evolved research & innovation framework through R&I 2.0, and an expanding range of academic and developmental opportunities.

We continue to strengthen the learning experience through innovation, informed teaching practices and a student-centred approach that helps learners build stronger concepts, greater confidence and readiness for the demands ahead.

Being Pakistan's first Leader in Me Lighthouse School further reflects our commitment to developing leadership as a lived capability, not simply an aspiration.

As we grow, our focus remains on one outcome: enabling every learner to progress with competence, purpose and the confidence to lead in a globally competitive world.

Mr. Salman Maqsood

Managing Director
KIPS Education System

Mr. Zahid Wazir Khan

Director, KIPS Schools & Colleges

WHERE VALUES
BECOME A WAY OF LIFE

Dear Parents,

The true character of a school is reflected not only in what students learn, but in how they learn, interact, lead and grow.

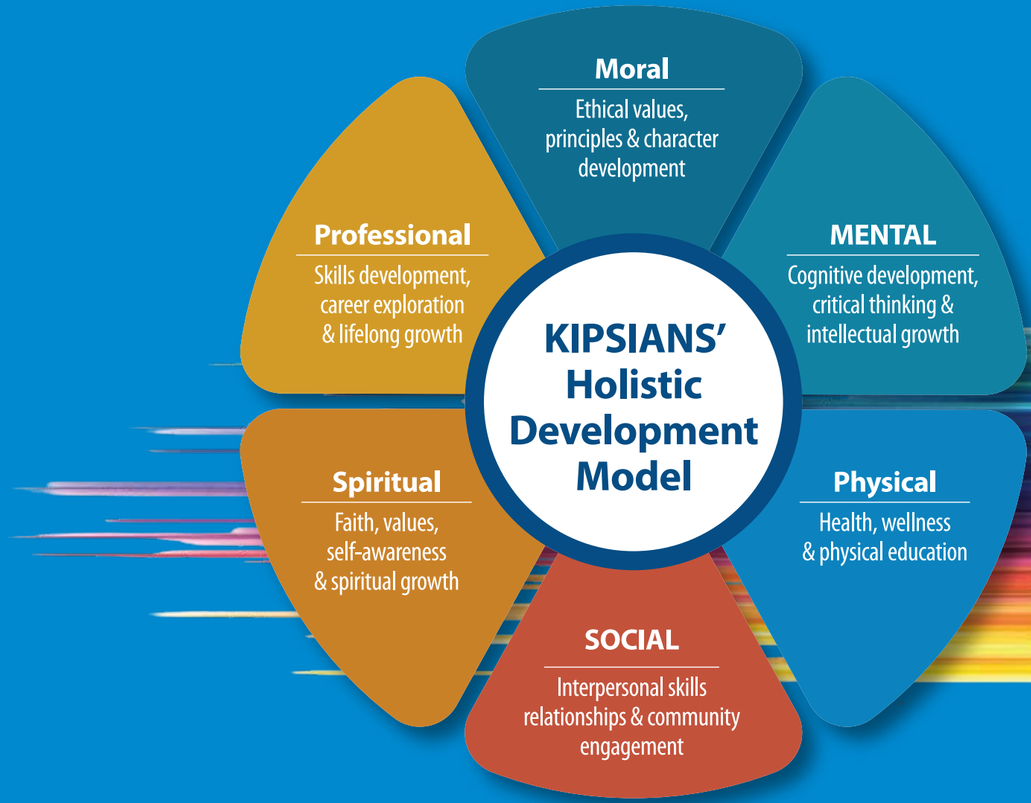
At KIPS School, our values are lived through everyday experiences — in classrooms, societies, clubs, co-curricular activities, leadership opportunities and the relationships students build with teachers and one another. Mutual respect, discipline, merit, responsibility and continuous improvement remain central to the culture we strive to uphold across our campuses.

Our students are encouraged to discover interests beyond textbooks, express ideas with confidence, collaborate, compete constructively and take ownership of their learning. Innovation Clubs, student societies, co-curricular platforms and the Leader in Me framework provide meaningful opportunities to develop character, creativity, communication and leadership alongside strong academic foundations.

We deeply value the trust parents place in KIPS School. Our responsibility is to ensure that every learner experiences a safe, purposeful and enabling environment where excellence is pursued, values are strengthened and individual potential is given room to grow.

BOARD OF DIRECTORS

- Mr. Abid Wazir Khan (CE)
- Mr. Salman Maqsood (MD)
- Mr. Zahid Wazir Khan (Director)
- Mr. Khalid Wazir Khan (Director)
- Mr. Tahir Wazir Khan (Director)



KIPS SCHOOL
AN OVERVIEW

Established in 2004, KIPS School has expanded nationwide, fostering holistic student development - intellectual, emotional, physical, and moral. Our mission is to shape engaged, responsible citizens, equipped with the skills to thrive in a dynamic digital world.

KIPS School, offering admissions from Playgroup to Matric and O Level, is Pakistan's first Lighthouse institution to partner with FranklinCovey Education's Leader in Me programme, cultivating leadership, accountability, and initiative in students.

Each year, over 50% of KIPS students secure A+ grade in board exams, affirming our academic excellence. Beyond the classroom, KIPSIANS excel in co-curricular activities, earning top honours in national and international competitions like VANDA, SASMO, ICATS, Spelling Bee, Google Science Fair, and more - showcasing their diverse talents and dedication.

Our slogan "The Foundation for Life" reflects our commitment to building a strong groundwork for students. Through holistic education, we nurture essential skills and values that shape their personalities, enabling them to face life's experiences with confidence and integrity. The foundations laid here are not just for academic success; they are for a fulfilling life.

VALUE-BASED CURRICULUM

Our value-based curriculum develops KIPSIANS holistically, fostering creativity, innovation, expression, honesty, compassion, and responsibility, built around five core values:

- Integrity
- Respect
- Responsibility
- Sportsmanship
- Servant Leadership

INTEGRATED APPROACH

Our Curriculum is designed:

1. Develop activity-based learning that builds students' curiosity and engagement.
2. Strengthen conceptual clarity to support expected learning outcomes.
3. Build knowledge and understanding beyond syllabus coverage.
4. Enable learners to become innovative, creative and expressive.
5. Nurture originality, resourcefulness and inventiveness.

CONTINUOUS MONITORING & EVALUATION

Monitoring is ensured through daily, fortnightly, and monthly reports, evaluator visits, and class/teacher observations, with timely action taken on any points of concern.

STUDENTS' PROJECTS & PRESENTATIONS

Project-Based Learning (PBL) is a key feature at KIPS School. Students complete class-wise projects within set timelines with teacher guidance. Objectives include:

- To enhance creativity
- To expand knowledge
- To deepen engagement
- To encourage research-based presentations
- To build confident communication
- To provide opportunities to showcase learning
- To develop leadership
- To strengthen self-confidence and self-control
- To assess individual participation
- To develop the sense and spirit of teamwork

25 GOOD REASONS TO JOIN

Leader in Me globally certified 1st Lighthouse School of Pakistan.

2. A complete career path; from preschool to professional institute
3. Nurturing moral, emotional, intellectual, and physical well-being
4. On-Credit: Top positions in Matric - all Punjab boards.
5. Fulfilling academic needs within school hours - enjoy tuition-free evenings
6. A tradition of excellent results in board exams
7. Separate & spacious campuses for senior boys & girls
8. Integrated curriculum from playgroup till Grade 8
9. Skill-based assessments
10. Objective-based teaching
11. Teaching that prepares students for global readiness.
12. Contemporary study techniques & result-oriented processes
13. Comprehensive student counseling sessions & motivational lectures
14. Continuous Monitoring & Feedback Mechanism
15. Cohesive mechanism for hybrid teaching & learning
16. Committed, experienced & professionally distinguished faculty
17. Recurring liaison with parents
18. Uncompromising safety & child-centric infrastructure
19. Elevating students' potential while inculcating leadership qualities & skills
20. Ensuring active co-curricular and intra-school participation
21. Sports that shape strength, teamwork, and confidence
22. Diverse learning possibilities for students through R&I 2.0 Activities
23. Ensuring a weekly Bagless day to help students learn while exploring
24. Instilling values that encourage expression and decision-making
25. Providing a highly supportive & inspiring environment

IN OUR CLASSROOM

DISTINCTIVE FEATURES

While academics remain our core focus, KIPS School prioritizes developing diverse skill sets in students, achieved through the following key features:

1. Play-based Early Years: Children build language, numeracy and social skills through purposeful play. Portfolios show how each student is progressing.
2. Individual attention to learning: Teachers identify gaps early, provide targeted support and show parents what their child has improved and what comes next.
3. A structured Matric preparation programme: Practise papers help teachers identify weak concepts and accordingly guide revision exercises before the board exams.
4. Life skills built into the timetable: Through bagless learning, students practise communication, teamwork and everyday responsibilities alongside their academic work.
5. Meaningful exposure to robotics and AI: Students design, test and explain projects they have built themselves.
6. Student leadership with real responsibility: Students lead assemblies, run societies, organise activities and reflect on how they handle those responsibilities.

RESEARCH & INNOVATION
PROGRAMME 2.0
EXPLORE. CREATE. LEAD

At KIPS School, research and innovation are embedded in the learning experience to encourage curiosity, critical thinking and purposeful problem-solving. Through inquiry-based projects, experimentation and collaborative challenges, students learn to investigate ideas, apply knowledge and develop practical solutions. This approach builds creativity, confidence and the future-ready skills required to contribute meaningfully in a rapidly changing world.

RESEARCH & INNOVATION ACTIVITIES

An enriched ecosystem for holistic development inside school hours.

- TechHub with AI & Robotics
- Art & Craft With SDG Integration
- Library Programme
- Joy of Sports + Taekwondo
- Life Skills
- Active Societies & Clubs

TECH HUB WITH AI & ROBOTICS

Hands-on learning in technology, coding, and robotics builds computational thinking and creativity as students design, programme, and innovate with real-world applications.

ART AND CRAFT WITH SDG INTEGRATION

Art and Craft activities are thoughtfully integrated with the United Nations Sustainable Development Goals (SDGs). Students engage in creative projects using recycled, reusable and eco-friendly materials while exploring themes such as environmental conservation, responsible consumption, climate awareness, equality and community well-being. This approach nurtures creativity, critical thinking and social responsibility, helping students understand how artistic expression can contribute to a more sustainable and inclusive world.

LIBRARY PROGRAMME

A hub of literacy, our school library helps students become more confident readers. Through the library programme, students build reading skills, develop a regular reading habit and explore topics of interest through simple research.

LIFE SKILLS

Interactive sessions and projects strengthen communication, empathy, decision-making, and ethical values, preparing students for real-world challenges with confidence.

THE JOY OF SPORTS AND TAEKWONDO

At KIPS School, sports are an integral part of the learning experience, promoting physical fitness, teamwork, confidence, discipline and a healthy competitive spirit. Through a wide range of engaging sports activities, students remain active, develop essential life skills and experience the joy of participation, collaboration and achievement.

Dedicated Taekwondo periods further strengthen this approach by developing balance, coordination, focus, self-control and resilience. Under professional guidance, students learn the values of respect, perseverance, discipline and responsible self-defence, enabling them to grow into confident, active and well-rounded individuals.

Leader in Me®
Globally Certified
Lighthouse School

AN INTEGRATED WHOLE SCHOOL APPROACH

KIPS School holds the proud distinction of being Pakistan's First Lighthouse School under FranklinCovey Education's Leader in Me programme — a global framework for leadership and holistic growth. This milestone reflects our commitment to nurturing confidence, character, and lifelong learning, enabling students to lead with integrity, purpose, and a global outlook.

By becoming in charge:

- Makes age-appropriate choices.
- Takes initiative.
- Accepts responsibility

By having a plan:

- Shows desire to be dedicated
- Keeps a day plan
- Follows routines
- Works towards tasks

By focusing on highest priorities

- Tries to maintain focus
- Keeps the priority tasks
- Demonstrates discipline

By embracing meaningful growth

- Shares with others
- Seeks benefit for others too
- Avoids comparison with others

By practising empathic listening:

- Able to express compassion
- Listens to understand
- Shows empathy

By valuing differences:

- Appreciates different ideas
- Extends cooperation
- Helps others

By working on the four dimensions (body, mind, heart, soul):

- Follows healthy routines
- Enjoys physical activity
- Develops a love of reading and reflection

THE 7 HABITS ARE EMBEDDED THROUGH:

Classroom Lessons and Discussions

Visual Reminders and School Environment

Student Leadership Roles

Habit-Focused Activities and Projects

Morning Assemblies and Reflection Time

Personal Leadership Notebooks

Peer Accountability and Collaboration

Parent and Community Involvement

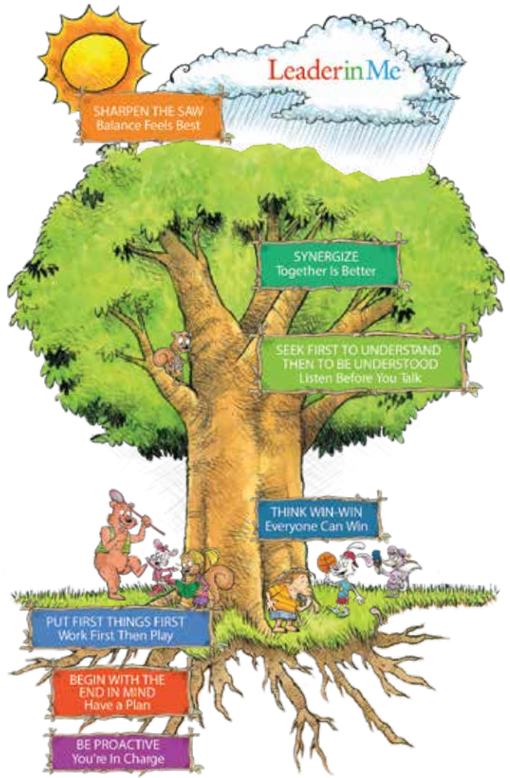
Digital Curriculum

Why LIM & 7 Habits?

The Leader in Me empowers students with the following 21st century leadership and life skills:

- Leadership
- Responsibility
- Accountability
- Problem Solving
- Adaptability
- Communication
- Initiative and Self-Direction
- Creativity
- Cross-cultural skills
- Teamwork

A WHOLE-SCHOOL TRANSFORMATION PROCESS



EXTENDING THE LeaderinMe® PROGRAMME BEYOND THE SCHOOL

"Leader in Me" at KIPS School goes beyond classrooms, nurturing leadership in students and families alike, fostering a collaborative culture of shared responsibility.

From School to Home:

- **Student-Led Initiatives:** At KIPS School, students lead assemblies, projects, and peer mentoring, while at home they apply the same skills through initiative in tasks and decisions.
- **Family Engagement:** We involve parents through leadership challenges and workshops, bridging school and home to help students practise leadership in family life.

From Classroom to Dining Room:

- **Discussion of Leadership Habits:** Students learn responsibility, goal-setting, and communication in class and carry these lessons home through family discussions on improving interactions.
- **Practical Application at Home:** Small leadership projects like leading activities, planning events, or managing tasks make leadership a daily practice.

From Teachers to Parents:

- **Parent-Teacher Collaboration:** Teachers share feedback with parents to guide and support leadership growth at home.
- **Leadership Conferences & Resources:** Parents attend events and receive materials to practice leadership at home, becoming co-leaders in their child's journey.

This ensures leadership principles thrive at both school and home through strong parent partnerships.

ONE LEARNING JOURNEY
ON CAMPUS & ONLINE

At KIPS School, digital learning extends and strengthens the on-campus experience. Our online learning framework ensures continuity whenever regular classroom learning is disrupted, while also supplementing everyday teaching through access to lessons, learning resources, assignments, assessments and academic support.

Together, these platforms enable a connected learning experience that keeps students engaged, supported and progressing — on campus and beyond.

Our Online Learning Ecosystem Includes:

- KIPSIANS App — Learning Connected
- Google Classroom (Live Lessons)
- Student-Parent Portal
- Structured Student Day Plans
- Assignments & Practice
- Online Co-Curricular Engagement
- Online Assessments & Result Sharing

Powered by KIPS LMS

An Exclusive Digital Learning Hub for KISPIANS

KIPSIAN APP

GET IT ON Google Play

Download on the App Store

The App connects students and parents to the complete academic journey - learning, assessments, progress, schedules and essential school updates - anytime, anywhere.

STUDENT-PARENT
PORTAL

Stay Connected with Your Child's Learning Journey

The Portal provides parents with convenient access to important information. It strengthens communication between the school and families, enabling parents to remain informed, involved and connected with their child's progress.

- **Student Attendance** - View attendance records and monitor regularity and punctuality.
- **Surveys, Feedback and Suggestions** - Participate in surveys and share feedback for continuous improvement.
- **Online Fee Payment** - Pay school fees online through a convenient and accessible online process.
- **Timetable** - Access the updated class timetable and daily academic schedule.
- **Academic Performance** - Enables parents to track their child's academic progress, assessment results and overall performance.

SOCIETIES & CLUBS

At KIPS School, holistic development goes beyond academics — nurturing leadership, creativity, and collaboration. Through a structured democratic election process, each society elects its President and Vice President, empowering students with real-life leadership, teamwork, and decision-making experience.

COMMUNICATION SOCIETY

Enhances verbal and non-verbal communication through debates, speeches, and discussions—building confidence, empathy, and expression.

SCI-TECH & INNOVATION SOCIETY

Engages students in experiments and STEM projects—fostering research skills, creativity, and scientific curiosity.

QUIZ SOCIETY

Promotes curiosity and critical thinking through subject-based and general quizzes—sharpening reasoning, teamwork, and intellectual agility.

SOCIAL SERVICE & RESPONSIBILITY SOCIETY

Instills empathy and civic awareness through volunteering and outreach—nurturing socially responsible and compassionate individuals.

ENTREPRENEURSHIP SOCIETY

Cultivates an entrepreneurial mindset through idea pitching and business planning—encouraging initiative, innovation, and responsibility.

MEDIA SOCIETY

Builds digital literacy and responsible media engagement—empowering students to communicate ethically and creatively in the digital age.

DRAMATICS SOCIETY

Provides a platform for creativity and expression through theatre and performing arts—developing confidence, collaboration, and emotional intelligence.

TEACHING METHODOLOGY

REFLECTION OF A TRUE KIPSIAN

At KIPS School, students co-create knowledge alongside competent and caring mentors, striving to embody the standards of thoughtful learners.

CREATIVE
They develop the ability to solve problems, tackle challenges, make connections, and create through dynamic curricular and co-curricular activities.

DISCIPLINED
They act out of responsibility, prioritizing what must be done over personal desires, demonstrating self-control and proactivity.

TARGET-ORIENTED
They stay focused on goals, driven by purpose to accomplish tasks efficiently.

RESILIENT
They engage in creative, positive activities that enhance adaptability, optimism, and mental well-being.

CURIOUS
They actively question, explore and seek deeper understanding.

DIGITALLY COMPETENT
They are confident and skilled in using digital technologies for information and communication.

SYNERGIZER
They believe in teamwork to improve their communication, listening and social skills.

CONFIDENT COMMUNICATOR
They confidently communicate ideas in a supportive environment, expressing ideas clearly and confidently.

ACADEMICALLY SKILLED
They are eager to learn and apply core academic skills, including reading, writing, presentations, and referencing.

CRITICAL THINKER
They are self-guided as well as self-disciplined thinkers. Their reasoning strengthens their analytical skills.

FUTURE LEADERS
They are ready to take on challenges, initiatives and take responsibility for their actions. They inspire others and gain confidence.

PATRIOT
Their involvement in different patriotic activities strengthens their connection with and sense of responsibility towards their country.

PROFILE OF A KIPS SCHOOL TEACHER

A virtuous teacher brings out the best in students. At KIPS School, faculty maintain high-quality teaching, continually refining their skills to achieve learning goals and make a meaningful impact.

A Pre-Eminent Facilitator
KIPS School Teacher is always ready to satisfy the curiosity of the students.

A Critical Thinker
Helps students connect ideas logically, enhancing problem-solving and critical thinking skills.

A True Learner
Continuously enhance their knowledge through self-study, training, workshops, and booster sessions.

A Great Visionary
Looks beyond immediate academic needs, helping students build the skills, confidence and direction required for long-term growth.

An Innovator
Uses modern strategies to keep students motivated and engaged.

A Potential Identifier
Identifies and nurtures students' talents and potential.

A Great Reformer
Recognises their role as an agent of positive social change and nation-building.

A True Professional
Upholds institutional standards, models professional conduct, and helps maintain a disciplined and supportive learning environment.

A Mentor/Model
KIPS School Teacher has a captivating personality and professional traits which inspire the students.

A Synergizer
Collaborate effectively and adapt flexibly to support a positive environment.

CO-CURRICULAR
LEARNING & HOLISTIC DEVELOPMENT

At KIPS School, co-curricular activities complement academics, fostering intellectual, physical, emotional, and social growth.

1. Diverse Programme

- Sports: Teamwork, discipline, fitness
- Arts & Culture: Creativity, confidence, cultural appreciation
- Debate & Public Speaking: Communication & critical thinking
- Research & Innovation: Inquiry-based projects that build logical and problem-solving skills

2. Leadership & Team-Building

- Clubs & Societies: Leadership, collaboration, and creative initiative
- Elected Student Council: Real-life practice of democratic skills through regular meetings
- Sports Houses: Structured under elected Presidents and Vice Presidents to develop ownership and teamwork

3. Community Engagement

- Service Projects: Promoting empathy, civic sense, and social responsibility

4. Personal Development

- Life Skills Workshops & Courses: Preparing students for real-world challenges
- Self-Regulation & Discipline: Cultivated through The 7 Habits of Leader in Me program

5. Research & Innovation

- Activity-based projects that build logical and problem-solving skills

Benefits:

- Develops students' skills and talents.
- Promotes physical and mental well-being.
- Fosters responsibility, creativity, and global citizenship.
- Broadens students' exposure through inter-school events and competitions, where they meet peers, exchange ideas, and learn from different perspectives.

PROJECT EXHIBITIONS

Project exhibitions encourage teamwork, idea-sharing, and innovation through collaborative implementation.

VIRTUAL SESSIONS

Virtual sessions connect students with ideas, experts and learning experiences beyond the classroom.

FIELD TRIPS

Field trips provide authentic learning experiences where students interact, explore, and collaborate beyond the classroom and are organized year-round by student societies. These trips spark creativity and discovery.

HEALTHY PARTICIPATION

Students are encouraged to think beyond boundaries, engage in healthy competition, and grow through collaboration and challenge.

ASSEMBLY PROGRAMMES

Assemblies foster leadership, patriotism, and communication skills, enriching the students' learning journey.

Assemblies begin with Quran recitation, instilling Islamic values while promoting productivity and social awareness.

Class assemblies build confidence, strengthen student-teacher bonds, and help overcome shyness in smaller settings.

Our prayer and values-based assemblies reinforce character education and are conducted in three forms:

1. School Assembly
2. Class Assembly
3. Pack-up Assembly

CLASS ASSEMBLY

It engages students in daily discussions, fostering communication, critical thinking, active listening, tolerance, and leadership.

PACK-UP ASSEMBLY

Pack-up Assembly reviews daily activities, shares highlights, and previews upcoming tasks, boosting school spirit and camaraderie.

SCHOOL ASSEMBLY

The school assembly is one of our main platforms for students to speak and perform before their peers. Through thematic assemblies, students give speeches, perform role-plays, and deliver presentations, strengthening their communication skills and building confidence.

Celebrations of national and international days, important school events, and student achievements foster a positive and disciplined school culture while helping students understand the significance of these occasions.

Activity Schedule

Instrumental national songs are played on campus in the morning before assembly begins.

- Recitation of Quranic verses
- Prayer/dua
- Student achievement celebration
- Day/week celebration announcement
- Theme-based activity
- National anthem
- National song

COMPETITIONS

At KIPS School, students actively participate in national, international and school level competitions, gaining exposure that sharpens their creativity, innovation, and global outlook. These platforms encourage confidence, critical thinking, and leadership — nurturing true global citizens.

Inter-School & Intra-School Competitions

School level mandatory competitions encourage students to explore hidden talents and creativity beyond the classroom through debates, writing, innovation, calligraphy, hamd-o-naat, sports, art, and more.

National Competitions

We encourage students to compete nationally, building self-esteem, life skills, and positive habits.

International Competitions

Through global competitions, students gain exposure, embrace diversity, and develop innovative skills and ideas.

Achievements

KIPSIANS have Excelled in the:

- Aitchison Business Concept
- LGS Genesis 1.0
- Forman Christian college Inter Sports Championship
- Mazda U.S College Prep Junior Golf Championship

Our Comprehensive O Level Success Framework

At KIPS School, our O Level Programme is built to ensure every learner achieves academic excellence, personal growth, and future readiness. Through structured planning, innovative pedagogy, and continuous support, we prepare students not just to succeed in exams—but to thrive in life.

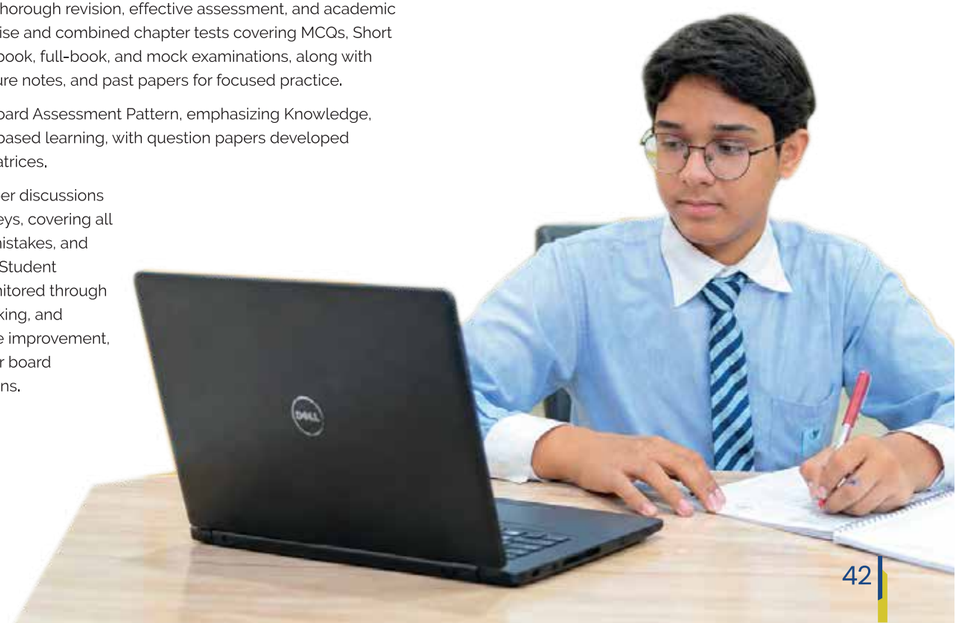
1. **Strategic Academic Planning:** Structured timelines and preparation plans to maximize performance.
2. **Personalised Guidance:** One-to-one academic and career counselling based on aptitude assessment.
3. **Cambridge-Aligned Pedagogy:** Teaching practices consistent with CAIE standards of excellence.
4. **Objective-Based Instruction:** Lessons designed around clear, measurable learning outcomes.
5. **Innovative Teaching Strategies:** Engaging, research-driven methods fostering critical and creative thinking.
6. **Technology Integration:** Blending physical and digital learning for flexibility and continuity.
7. **Project & Skill-Based Learning:** Connecting classroom theory with real-world application.
8. **Continuous Progress Monitoring:** Regular assessments with detailed analysis and feedback.
9. **Targeted Revision Support:** Focused topical sessions and past paper practice for exam readiness.
10. **Exam Temperament Building:** Marking scheme workshops and ECR sessions to master examiner expectations.
11. **Reflective Learning Culture:** Self and peer evaluation promoting responsibility and growth mindset.
12. **Remedial & Supportive Instruction:** Tailored academic support ensuring every learner progresses.
13. **Quality Teaching & Learning:** Experienced faculty combining expertise with mentorship.
14. **Parent Partnership:** Regular feedback and reporting to keep parents informed and engaged.

REVISION & TEST SESSION

KIPS School's Revision & Test (R&T) Session is a comprehensive exam preparation programme designed to ensure thorough revision, effective assessment, and academic excellence. It includes chapter-wise and combined chapter tests covering MCQs, Short Questions, Long Questions, half-book, full-book, and mock examinations, along with dedicated preparation days, lecture notes, and past papers for focused practice.

The session is aligned with the Board Assessment Pattern, emphasizing Knowledge, Understanding, and Application-based learning, with question papers developed according to respective board matrices.

Following each test, detailed paper discussions are conducted through answer keys, covering all questions, identifying common mistakes, and providing rectification strategies. Student performance is continuously monitored through target-based analysis, result tracking, and individualised feedback to ensure improvement, confidence building, and stronger board performance in board examinations.



SPORTS ACTIVITIES

At KIPS School, sports play a vital role in nurturing teamwork, discipline, and confidence while promoting physical and mental fitness.

Four distinctive Sports Houses - Quaid, Liaqat, Jinnah, and Iqbal - each with its own colour, identity, and slogan, foster leadership and school spirit.

Student Presidents and Vice Presidents are elected democratically, developing responsibility and decision-making skills.
Through inter-house and inter-school competitions, students learn sportsmanship, perseverance, and the joy of healthy competition.

Lighthouse School

KIPS School shines as Pakistan's First Lighthouse School

The Lighthouse School Ceremony marked a defining milestone as the institution earned the prestigious title of Pakistan's First Lighthouse School under the Leader in Me programme.

The event celebrated transformation through inspiring student reflections, parent testimonials, and leadership performances that showcased confidence, collaboration, and purpose. It was a proud moment of recognition for a culture where every child learns to lead with integrity and vision.

Muhammad Abdul Moeez
Psychologist | Nutritionist | Certified Personal Trainer

Joining KIPS School Canal Side Campus introduced me to a completely new education system. While adapting was challenging at first, the supportive environment helped me settle in and grow with confidence.

Looking back, I realise my time at KIPS was filled with valuable learning experiences. Today, as a professional in the health and wellness industry, I look back on my KIPS journey with gratitude. It was an experience that challenged me, shaped me, and played a meaningful role in the person I am today.

AREEBA MURATIB
Model Campus
Year of Passing: 2022
Current Qualification: CA – In Progress

My years at this school laid the foundation for my career and life. This school taught me discipline and compassion. My teachers believed in me even when I doubted myself. That belief help me grow. My success belongs to my teachers and this school. I'm proud to say this school shaped both my career and life

Mustafa Saqib
Mughalpura Campus
2022-2024
Undergraduate Studies at Government College University

My journey at KIPS School, Allama Iqbal Town, laid the foundation for my academic and creative growth. The dedicated teachers, supportive learning environment, and focus on both academics and character development helped me build confidence and discipline.

After graduating from KIPS School, I completed my Bachelor of Fine Arts in Graphic Design from Punjab University College of Art & Design (PUCAD). Today, I continue to work in the creative field, applying the skills and values I developed during my time at KIPS

Malika Sarfraz
Model Campus
Year of Passing: 2023
Current Qualification: Economics with Data Analytics at the University of Lahore

I am proud to be an alumna of this school. The lessons, values, and guidance I received here have played a vital role in helping me reach university. I am sincerely grateful to my teachers for their constant support and encouragement. To all the students: believe in yourself, work hard,and never stop learning. Your dedication today will shape a bright and successful future.

Eman Javed
Mughalpura Campus 2017
Doctor of Pharmacy

Studying at KIPS was one of the best decisions of my life and it gave me the best academic start. My journey at KIPS was truly transformative. The strong academic foundation, supportive teachers and disciplined environment helped me a lot to achieve my dreams. I am proud to say that my success is a direct result of knowledge and values I gained at KIPS. I am forever grateful for this experience.

Adeena Noor
Model Campus
Year of Passing: 2023
Current Qualification:
1st Year MBBS King Edward Medical University

This school played a very important role in shaping my future. All the teachers played a crucial role in my academic journey and always supported and encouraged me to achieve my goals. I am truly grateful for their guidance and dedication. I wish all the students the very best in their future endeavours.

FACILITIES

WELL-EQUIPPED LABS

Science Labs

Enhance learning by connecting theoretical concepts with practical experiments.

Resource Labs

Provide hands-on experiences to boost motivation, practical skills, and problem-solving.

ICT with Robotics

Use advanced technology to foster critical thinking and nurture future innovators.

Fashion Design Lab (at selected campuses)

A dedicated space where students explore their creativity, develop practical fashion design skills and gain exposure to the world of fashion.

Library

The KIPS School Library is a vibrant hub of learning and exploration that fosters a lifelong love for reading. With a rich collection of books, reference materials, and digital resources, it inspires curiosity, supports academic growth, and broadens students' horizons beyond the classroom.

Safe Play Areas

The play yards in the campuses provide many learning opportunities through different types of activities and sports. It allows physical, social, emotional, imaginative and cognitive development of our students. It improves health and well-being while the safe environment encourages independence.

POLICIES
